## MANDATORY HEALTH REQUIREMENTS - Berkshire Community College Nursing

Recommended Immunization for Hepatitis B			
Hepatitis B**	3 doses of the hepatitis B vaccine on a 0, 1, and 6 month schedule, <b>OR</b> 2 doses of the Heplisav-B formulation on a 0 and 1 month schedule.**	<b>OR</b>	Test for hepatitis B surface antibody* (anti-HBs) 1-2 months after the final dose in the series to document immunity. ( <u>Obtain a titer to document immunity.</u> )*  Those without immunity (anti-HBs <10 mIU/mL) should receive one or more additional doses of HepB vaccine and retesting.
Tdap	<b>1 dose;</b> and history of a DTaP primary series or age appropriate catch-up vaccination. Tdap given at ≥7 years may be counted, but a dose at age 11-12 is recommended if Tdap was given earlier as part of a catch-up schedule. Td should be given if it has been ≥10 years since Tdap.		
MMR	<b>2 doses;</b> first dose must be given on or after the 1 <sup>st</sup> birthday and the 2 <sup>nd</sup> dose must be given ≥28 days after dose 1	<b>OR</b>	Laboratory evidence of immunity (titer)*
Varicella	Medical proof of disease/Reliable history of chickenpox***	<b>OR</b>	Laboratory evidence of immunity (titer)*
Tb (must be kept current throughout the program)	Tuberculosis negative test within the year	<b>OR</b>	Negative chest x-ray within the last five years
Flu shot	Flu shot or declination form submitted by date in fall to be announced. Flu vaccination schedule is program specific.		
Meningococcal	<b>1 dose;</b> 1 dose MenACWY (formerly MCV4) required for all full-time students 21 years of age or younger. The dose of MenACWY vaccine must have been received on or after the student's 16th birthday. Doses received at younger ages do not count towards this requirement. Students may decline MenACWY vaccine after they have read and signed the <u>MDPH Meningococcal Information and Waiver Form</u> provided by their institution. <u>Meningococcal B vaccine is not required and does not meet this requirement.</u>		

\*Antibody blood tests (titers) must include laboratory report as proof of immunity.

\*\***Nursing students must comply with the immunization requirements of their clinical site.** If a clinical site requires a positive hepatitis B titer result but allows a waiver, students must either document immunity or submit the required waiver form.

\*\*\*Medical proof/reliable history of chickenpox includes a diagnosis of chickenpox or interpretation of parent/guardian description of chickenpox by a physician, nurse practitioner, physician assistant or designee.

(BCC Immunization policy developed according to MDPH Immunization Program 2019-2020 School Year and clinical agency contractual requirements)
